

Attention CHS Families: CHS students need your support!

What is the Cougar Booster Club?

For over 30 years, the Cougar Booster Club has helped sustain extracurricular activities at Columbia High School by supporting student participation in educational, scientific, literary, musical and athletic endeavors. In the last 10 years, over \$100,000 was granted by the Boosters to more than 40 CHS organizations and activities that requested funds for projects, tournaments and special events! The Booster website, www.chscougarboosters.org, provides timely information about CHS events and activities, athletic schedules and field directions, as well as details about the Booster Club and its activities.

How do the Boosters raise money to support CHS extracurricular activities?

- * This September Membership Drive is a critical part of our fundraising effort. The success of this Drive, and the Boosters' ability to support CHS extracurricular activities, depends on the generous contributions of every CHS family.
- * The 11th Annual Cougar Booster Golf Classic will be held Monday, April 27, 2009 at Maplewood Country Club. Last year, the Boosters raised over \$10,000 through the Golf Classic due to the generous support of golfers and community contributors, and the hard work of Booster members and trustees.
